

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF DELAWARE

NUVASIVE, INC.,

Plaintiff and  
Counterclaim-Defendant,

v.

GLOBUS MEDICAL, INC.,

Defendant and  
Counterclaim-Plaintiff.

C. A. No. 10-849-LPS

**JURY TRIAL DEMANDED**

**JOINT STATUS REPORT REGARDING TRIAL SCHEDULING AND LENGTH**

Pursuant to the Court's July 7, 2014 Order (D.I. 237), Plaintiff NuVasive, Inc. and Defendant Globus Medical, Inc. (collectively "the Parties") jointly submit this status report regarding scheduling trial in the above captioned matter. The Parties have met and conferred regarding the scheduling of trial dates and trial length. After accounting for witness and counsel conflicts, the parties have agreed that trial should be scheduled to start at the Court's first available date on or after September 14, 2015. The Parties, however, are unable to agree on the length of time required for trial. In light of the Court's summary judgment rulings, Plaintiff NuVasive now believes that trial can be completed in five court days; Globus believes ten court days are necessary as the parties previously agreed (*see*, Joint Proposed Scheduling Order D.I. 15 at 9 (prior to adding the third asserted patent)).

Respectfully submitted.

Dated: July 9, 2014
